

CAFÉ
• PANACHE •

Cafe Panache is created by good friends who joined forces to convert an old market storage into a vibrant bar & restaurant. The meaning of the word "Panache" is a flamboyant, original, confident but little reckless way of doing things. And that's exactly what this eclectic café is all about. Our menu is market driven using only seasonal ingredients and sustainable fish and shellfish. We have a simple approach on food, cooked over a charcoal fired grill, which is placed centrally in our open plan kitchen. Come and have a look if you like!

Don't forget to visit our little cocktail bar in the front while you're here. Enjoy your evening!
